Colleen added the maximum amount for the Commissioners so they were aware. Has been through these with staff as well as the auditor.

[9:03:52 AM](#) Commissioner Hancock asks if the total is the total amount that we can levy. Colleen says the county's is under the dollar amount. The levy rates should all be under the total dollar amount.

[9:05:12 AM](#) Colleen goes through the L-2 forms these are filled out by the county and the districts. This is how the levy amounts are found for the L-1. For the county it is a combination of all of the districts.

[9:07:00 AM](#) Did have some problems with the Roberts district they had put too much in the general fund so they had to break this out. Their dollar amount has gone up so they have to levy different. School districts are different on their levy rates.
