COMMISSIONERS

• **CERTIFICATION OF LEVIES**

Chris reports that all L2's were double checked with our auditor yesterday. Commissioner Hegsted asks if any levies stand out this year and asks why the School District's #251 Bond U/R is highlighted. Chris explains that it is highlighted because of urban renewal and there is an increment that has to be added. Commissioner Hegsted asks why the City of Mud Lake doesn't levy for airport and roads. Chris says they can't levy because they fall under the county. The commissioners discuss meeting with the city about other alternatives.

Motion by Commissioner Hegsted to accept and certify the 2012 levies contingent on state approval. Second by Chairman Karren. Roll call taken. Hegsted – aye. Karren – aye. Motion passed unanimously.

Meeting adjourned at 11:13 a.m.
