COMMISSIONERS – CLERK COLLEEN POOLE

• **CERTIFICATION OF LEVY**

[9:24:44 AM](#) Colleen provides previous years levy rates and what this year's levy rates are for the Commissioners to review. Commissioner Hancock said all of them overall went down besides the general. Colleen had some issues with the cities they had to redo the L2 because they were over the levy rate. Also had a few issues with the website. Commissioner Hancock mentions the school takes a larger percentage than the county does. Interesting thing on the school as the county re-evaluates property the schools do not they take the same. Colleen said they get the blame because the county collects the taxes. Which they do but then they are disputed out. This is due to the state on Monday. Will email this and send a hard copy in the mail. Should be ahead of schedule. Colleen lets Commissioner Martinez know if he wants to see the process to let her know. The forgone amount was only \$1 so this was not worth doing a resolution for. If this is up next year they will.
